Mr. Allen Johnson

Dear Mr. Johnson:

Allen W. Dulles, Director of Central Intelligence, thanks you for the copy of the April issue of **THE LOUISIANA ENGINEER**, forwarded with your letter of 11 May 1959.

Mr. Dulles has read the combination interview and report of his 8 April 1959 address before the Edison Electric Institute meeting in New Orleans. He regrets that as a matter of policy he may not comment on the article which you were so kind and thoughtful to send to him.

Again, thank you for your thoughtful action.

Sincerely,

Stanley J. Grogan
Assistant to the Director
